

Security BSides Krakow 2023, was a 1-day in-person information security conference held in Kraków, PL on September 2nd, 2023. The conference provided various talks, workshops / training classes and other activities covering a wide range of cyber security topics.

I, \_\_\_\_\_, attended the Security BSides Krakow 2023 conference on September 2nd, 2023.  
I attended this conference for a total of \_\_\_\_ hours, for which I would like to receive \_\_\_\_ CPE credits in support of

\_\_\_\_\_.

The list of talk(s), class(es), and other activities I learned from and/or participated in are detailed on the following page(s) to support my request for Continuing Professional Education credits. Attached is a copy of my registration confirmation from Eventbrite, my ticket ID \_\_\_\_\_ can be verified if needed. The conference can verify attendance for all participants who completed the Registration / Check-In process during the conference, or by presenting the official and exclusive badge.
